Assurances:

This agreement is in effect only when all criteria and conditions of the Career Pathways Program and Student have been met. Selection criteria must be met for acceptance into each postsecondary program. Program requirements from either partner may change without notice.

A. A seamless transition from secondary to postsecondary education and training exists.

B. Students will be accepted into the postsecondary portion of the program according to application criteria.

C. Postsecondary institutions accept the transfer of articulated secondary level concurrent credits awarded to high school students.

D. Dual and concurrent enrollment and other credit transfer options are well defined between secondary and post secondary partners.

E. Compliance with approved Board policies.

Outcomes:

Secondary: Career pathway students will: have career goals designated on SEOP, earn concurrent college credit while in high school, achieve a state competency certificate

Post-Secondary: Career pathway students pursuing the above program will earn a A.S./A.A.S Degree

Concurrent Enrollment Courses Specific to Network Management Technology AAS
