Assurances:
This agreement is in effect only when all criteria and conditions of the Career Pathways Program and Student have been met. Selection criteria must be met for acceptance into each postsecondary program. Program requirements from either partner may change without notice.
A. A seamless transition from secondary to postsecondary education and training exists.
B. Students will be accepted into the postsecondary portion of the program according to application criteria.
C. Postsecondary institutions accept the transfer of articulated secondary level concurrent credits awarded to high school students.
D. Dual and concurrent enrollment and other credit transfer options are well defined between secondary and post secondary partners.
E. Compliance with approved Board policies.

Outcomes:
Secondary: Career pathway students will: have career goals designated on SEOP, earn concurrent college credit while in high school, achieve a state competency certificate
Post-Secondary: Career pathway students pursuing the above program will earn a A.S./A.A.S Degree

Note: This is a regional agreement. Some classes may not be available in your particular high school. See your individual school for specific program offering. Also, requirements may change from year-to-year. It is your responsibility to verify information by consulting with a department advisor.

*Acceptance of course work is dependent upon one or more of the following:
1 = A grade of “B” or better
2 = Successful completion of State Skill Certification, where applicable
3 = Successful completion of same version of professional industry exam and/or
4 = Demonstration of competency as designated by receiving instructor which may lead to full or partial credit of course work
5 = Course must have been taken within last two years
